

# CORAL SPAWNING Night Dives

## 22, 23, 24 November 2013

Join us for two exciting night dives on the Outer Reef this November 22, 23 or 24, and the \*chance to experience Mother Nature's amazing annual spectacle of coral spawning!

Travelling aboard the luxury dive and snorkel catamaran Silverswift to Great Adventures' Norman Reef platform, certified divers will be able to experience 2 fully guided night dives.

If you're a confident snorkeller you can join a guided tour, or if you prefer, you can just observe and get a diver's view from the underwater observatory.

**Book early as seats are limited!**
